Quad**

'The Quad' is a community run green space behind the tenements at the top of Kenmure St at its junction with Nithsdale Rd. For RSG, we're going to have Halal and vegan BBQ, homemade cakes, tea and coffee, two young people's workshops, a tombola AND live Scottish traditional music! See you there!

Find us on fb@EPO

**2. Maxwell Square
Park**

Join us at the heart of this year's event! We will have games, face painting, plants, arts and crafts, community groups and organisations, the Open Museum, fruit kebabs and even owls!

It will be a hoot!

**3. Leslie Street
Greenspaces**

On the corner of Leslie Street and Keir Street, Leslie Street Greenspaces Group will be giving away edible plants in pots for you to grow at home. If your rhubarb is rubbish or your tatties terrible, ask our expert gardener's advice and you could win a garden prize! Also, if you want to put your name down for autumn bulb planting come along and say hello!

**4. New Victoria
Gardens**

This is a special opportunity to walk around the historic New Victoria Gardens Allotments with its unique peaceful atmosphere and diverse growing styles. Enter through the West gate in Maxwell Road. There is a guided walk leaflet available and access to some plots.
